SUBJECT: FIVE-YEAR HOUSING INVESTMENT PLAN RED-LINED VERSION

On October 15, 2002, the City Council adopted Resolution No. 71256, approving the recommendations included in the FY 2002-07 Five-Year Housing Investment Plan. As a part of the resolution, the Housing Department was asked to provide a red-lined version of the Five-Year Housing Investment Plan, tracking the changes made to the Plan between the September 3rd meeting and the final approval on October 15th.

Attached is a red-lined version of the Five-Year Housing Investment Plan. Language that was removed from the plan is struck out and inserted language is underlined. In response to discussion held at the City Council meeting on September 3rd, additional charts were inserted into the document as well. Underlined chart titles indicate new charts to the Plan.

The final plan will be printed and distributed to the City Council and interested citizens. Should you have any questions, please feel free to call me at x3863.

LESEYE CORSIGLIA
Director of Housing
